Re: Approval of Personal Services Agreement for Parkhill Prairie

The Engineering Department requests Commissioners Court's approval of the attached Personal Services Agreement with Nathan McTee.

This agreement allows Mr. McTee to cultivate crops on approximately 150 acres of bottom land on the west side of Parkhill Prairie. In return, Mr. McTee will be required to purchase and spread river rock, on an as needed basis, along the main park drive. In addition to maintaining the park drive, Mr. McTee will also be required to complete miscellaneous maintenance tasks, pertaining to Parkhill Prairie, as requested by the Special Projects Department.

We will be available to answer any questions you might have regarding this matter.
